

## NJ NASP STATE TOURNAMENT 2016 RESULTS

We are pleased to announce the results of the 2016 NJ NASP State Tournament! Thanks to the archers, coaches, and friends and family that came out to support everyone! We had 304 archers (134 females and 170 males) from 16 schools compete in this year's virtual state tournament, making this New Jersey's largest state tournament ever!

The teams and individual archers listed below in red qualify to attend the national NASP tournament in Kentucky on May 12-14, 2016. The 1<sup>st</sup> place team in each division (elementary, middle, high school) qualifies for nationals, as well as those teams with qualifying team scores. In addition, the top ten male and top ten female archers in each division qualify for nationals as individuals *if their school team did not qualify or does not attend the national competition.*

Rules and registration information for the national tournament is attached. Early registration is recommended.

Congratulations to all who participated!
