ADJOURNMENT

*The Chairperson will provide opportunity for interested members of the public to provide input to discussions on all agenda items when appropriate as discussions proceed. The dedicated “Public Input” agenda item at the beginning of the meeting is meant to provide an opportunity for the public to speak to concerns regarding endangered and nongame wildlife conservation that may *not* be on the meeting agenda. The Chairperson may limit the length of public comment as needed to allow for completion of the rest of the meeting agenda.
