\$1,000,000 DISEASE EACH EMPLOYEE  
\$1,000,000 DISEASE AGGREGATE LIMIT
  - b. Automobile liability insurance which shall be written to cover any automobile used by the insured. Limits of liability for bodily and property damage shall not be less than \$1 million per occurrence as a combined single limit.
  - c. Any other insurance or bonds in the types and amounts a dictated on the permit and as required by the Department.
11. Coverage must be written with a licensed insurance carrier authorized to do business in the State of New Jersey.
12. Permittee shall provide the State of New Jersey with a current Certificate of Insurance prior to the commitment of the term evidencing coverage and renewals thereof which must contain the provision that the insurance provided in the Certificate shall not be cancelled for any reason except after giving thirty days written notice to:

State of New Jersey  
Department of Environmental Protection  
Division of Fish & Wildlife  
PO Box 420  
Mail Code 501-03  
Trenton, NJ 08625-0420

13. The Permittee shall, for the Permittee and the Permittee's successors and assigns, assume all risks and liabilities arising out of the Permittee's use, operation, and maintenance of the premises. The Permittee covenants to defend, protect, indemnify, and save harmless the Department and hereby releases the Department and each of its officers, agents, employees, successors, and assignees from and against any and all such liabilities, losses, damages, costs, expenses (including reasonable attorney's fees and expenses), causes of action, suits, claims, demands, or judgments of every nature arising from or claimed to arise, in whole or in part, in any manner out of, be occasioned by, or result from any injury to, or the death of, any person in or on, or any damage to property which occurs in, on, or about the premises, or in any manner growing out of or connected with the use, nonuse, or condition of the premises; violation of any condition of this permit by the Permittee, its agents, employees, contractors, invitees (express or implied), or anyone claiming by or through the Permittee; violation by the Permittee of any federal, State, or local law, ordinance, or regulation affecting the premises and/or the Permittee' use thereof; or any act, error or omission by the Permittee, its agents, employees, contractors, invitees (express or implied), or anyone claiming by or through the Permittee in the performance of this permit. This indemnification obligation is not limited by, but is in addition to the insurance obligations contained in this permit.
14. The Permittee will not erect any structures or additions to existing structures or make any changes in the natural condition of the premises without the approval in writing of the Department of Environmental Protection.
15. This permit will expire on the last day of the terms stated and may be renewed only upon the acceptance by the Department of Environmental Protection of a new application in writing, upon payment of the permit fee and submission of proof of public liability and property damage insurance coverage. The renewal application must be made two (2) months before the expiration of the original permit in order for the activities to continue without interruption.
16. Authorized agents of the Department of Environmental Protection will at all times have the right to enter upon the premises for the purpose of making inspections.
17. This permit may be revoked or modified if, in the judgment of the Department of Environmental Protection, such action will best serve the interests of the State of New Jersey. Such revocation will be effective immediately or upon such terms as the Department of Environmental Protection determines in the Department's sole discretion.

18. In the event of revocation or modifications of this Special Use Permit resulting from actions of the Permittee, the permit fee or any part thereof is not refundable.
19. This permit grants no privilege other than those which are set forth herein.
20. The Permittee shall not charge any fee for use of the premises by any individual, group, entity, organization, etc. without the written approval of the Department.
21. The Permittee shall, during the term of this permit, promptly pay when due all taxes and/or assessments, together with interest and penalties thereon that are levied upon or assessed by any government body by reason of the Permittee's use of the premises. The Permittee immediately shall forward any notice of such tax payment to the Department and any notice of assessment, tax bill, or any other notice, correspondence or document relating to local property taxation of the premises to the Department.
22. The Permittee shall be solely responsible for supervision of the permitted activity as well as the activities of any and all contractors, subcontractors, agents, volunteers, and any other persons under Permittee's control. The Permittee shall immediately notify the Department by calling 877-WARN-DEP (877-927-6337) of any and all incidents whether resulting in injury or not, violations of the permit, violations of the law, or any other such incidents.
23. The Permittee shall be responsible for the protection of Permittee's personal property. The Department shall not be liable to the Permittee for any loss, damage, or destruction of the Permittee's personal property.
24. The Permittee shall not abuse, mutilate, injure, remove, or destroy any living plant without the permission of the Regional Superintendent. All abused, mutilated, injured, removed, or destroyed plants shall be replaced per the Regional Superintendent's plan for restoration.
25. The Permittee shall not abuse, mutilate, injure, remove, or destroy any living animal. If Permittee abuses, mutilates, injures, removes, or destroys a living animal, Permittee shall be subject to the fines, penalties, and punishment as allowed by law.
26. The Permittee shall not abuse, mutilate, injure, remove, or destroy any structure or physical feature. If Permittee abuses, mutilates, injures, removes, or destroys any structure or physical feature, Permittee shall be responsible for the full cost of repairing or replacing such structure or physical feature at Permittee's sole expense.
27. The Permittee shall not abuse, mutilate, injure, remove, or destroy the ground or any land without the permission of the Regional Superintendent. Any abused, mutilated, injured, removed, or destroyed ground or land shall be restored per the Regional Superintendent's plan for restoration.
28. Any specimens collected under this permit, any components of any specimens (including but not limited to natural organisms, enzymes or other bioactive molecules, genetic materials, or seeds), and research results derived from collected specimens are to be used for scientific or educational purposes only, and may not be used for commercial or other revenue-generating purposes unless the permittee has entered into a benefit sharing agreement with the NJ Department of Environmental Protection, Office of Natural and Historic Resources (NJDEP).
